Celebrating the Russian Dance Tradition with
The Bolshoi Ballet Company & the Stars of The Kirov Ballet Company

KIROV STARS: Shakespeare Dance Trilogy

Three of Shakespeare's immortal dramas (Romeo & Juliet, Hamlet, & Othello) are powerfully interpreted in this trilogy of one-act ballets danced by the Stars of the Kirov Ballet Company. These performances are truly majestic in their artistic and dramatic scope. Shakespeare's tale of the star-crossed lovers, Romeo & Juliet, is told with passionate conviction. Electrifying performances, danced to Tchaikovsky's fantasy-overture, bring this gripping interpretation of Hamlet to life. Lastly, this stylish account of Othello is the most important work of the illustrious Mexican-American dancer/choreographer Jose Limon and is danced with grace and power.

"Beautiful throughout is Svetlana Semenova, the heroine in all three works...a serious performance... has the right to be on video..."
-Attitude: The Dancers' Magazine

Music: Tchaikovsky & Henry Purcell

Choreography: Nataly Rizhenko, Victor Smirnov-Golovanov, and Jose Limon

BOLSHOI BALLET: Les Sylphides

Michael Fokine took the timeless music of Frederic Chopin and created Chopiniana (later renamed "Les Sylphides"), which celebrates the lyrical and poetic qualities of Romantic Ballet Blanc to express the sublime nature of dance. One of the revolutionary ballets of the 20th Century, "Les Sylphides" was one of the first ballets choreographed to a composition by a great master such as Chopin. This beautifully filmed DVD version of "Les Sylphides" is performed by the Bolshoi Ballet Company, and stands as a testament to their continued commitment to the dramatic and elegant dancing for which they have always been celebrated.

"The Ballet is beautifully constructed and memorable... This classic is recommended"
-Joan Stahl, Library Journal

Dancers: The Bolshoi Ballet Company featuring Natalia Bessmertovna, Alexandre Beogatyriov, Galina Kozlova, & Irina Kholina, among others

Choreography: Michael Fokine

Orchestration: Alexandre Glazounov
