SOLO FLIGHT:

The Genius of CHARLIE CHRISTIAN

View DVD #2353 – List Price: \$19.98

When Charlie Christian began playing melodic single-string solos on an amplified guitar, he caused a guitar revolution, moving the instrument out of the background on to center stage. This poignant documentary is an in-depth account of an extraordinary guitarist, whose innovations outlasted his all-too-brief career, continuing to reverberate in the sound of jazz guitar today.
