## MOISEYEV DANCE COMPANY: A GALA EVENING

*The Moiseyev Dance Company*, Russia's most traveled troupe, has broken box office records in more than 50 countries. Trained in classical ballet, folk dancing and acrobatics, their repertoire includes dances from all of the former Soviet regions as well as from Poland, Mexico, and Japan.

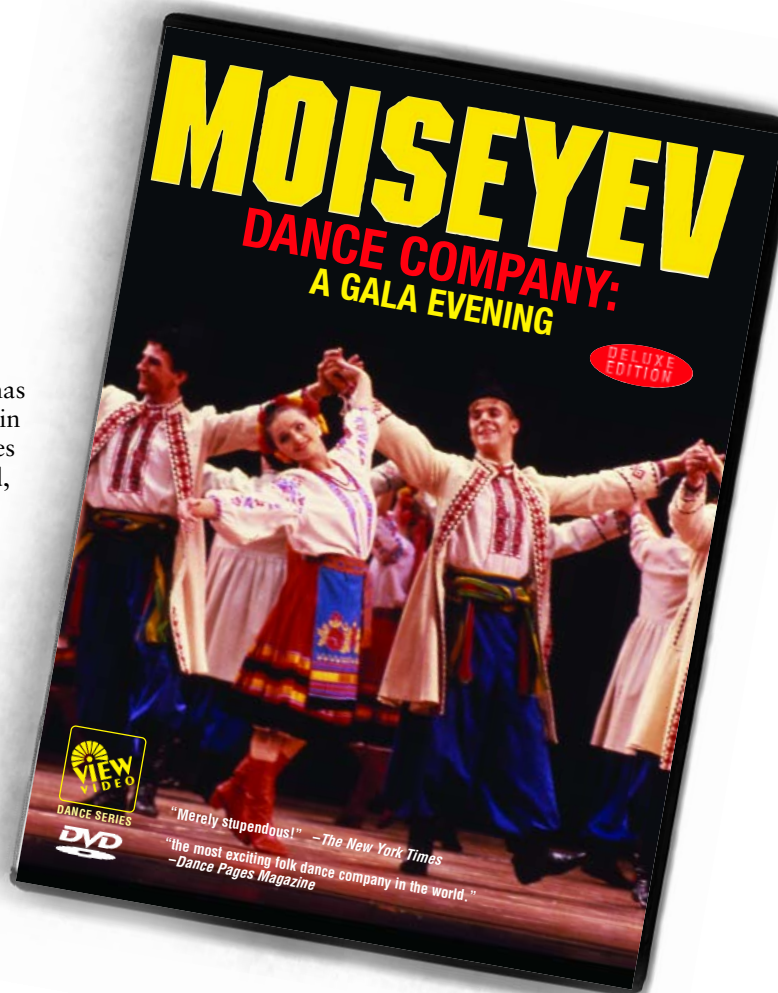

The Company's creator, Igor Moiseyev, a distinguished choreographer, ballet master and leading dance at the Bolshoi Ballet set his sights on establishing a state ensemble of folk dancing. "My dancers," Moiseyev says, "should not only master technique, but they should have unusual stamina, the daring of an acrobat, the skill of a juggler, the speed of a fencer and know how to act as well."

THE MOISEYEV DANCE COMPANY: A Gala Evening – athletic, entertaining and a rare blend of grace and power.
